Welcome to peaceful Uffington Rd where wilderness meets beautiful rural living in Muskoka. Tucked away just 20 minutes from Bracebridge this is a perfect spot to get away and relax but not be too far from modern amenities. This 18 Acre lot is located on a municipally maintained year round road so you have nothing to stress about in the winter months or summer maintenance. Looking at the lot there are many building sites to choose from. When the lot was created there was a driveway and building site cleared. Since it has slowly started to grow in but could be easily opened back up. In the middle of the lot, set back off the road you are high and dry gently sloping away to lower wetlands and a creek system running through the middle of the property. If your looking for a beautiful chunk of Muskoka to call home, invest or build a family retreat this could be a great spot for you! (id:13139)
