Welcome to 66 Miller Drive on beautiful Harris Lake! While Harris Lake is large enough to enjoy watersports including fishing, boating or skiing, it is also a great location to enjoy a quieter, relaxing lifestyle. This fully insulated 4-season home or cottage is the perfect setting to make your dreams come true with easy access from a year round municipal road. From the 3-season atrium or large deck you can enjoy peaceful views of the waterfront and its lovely sand beach. Or, from your private dock, you can hop in a boat and try your luck fishing for pike, bass or crappie. This property is meticulously maintained, shingles replaced in 2021/2022, repainted in 2022 and new oil tank in 2020. You'll feel confident to start enjoying the property right away. You'll also enjoy the added security of a 200-amp panel with back up generator connection and included portable Honda generator (as-is condition). For added convenience you'll find a 24'x24' garage equipped with 100-amp sub panel. The house, completed in 1999, features 2 bedrooms, 3 bathrooms and a bonus den. In the winter months, after returning from a day of snowmobiling or skiing, you can warm back up quickly from the in-floor radiant heat powered by an oil boiler. Let's
